Exhibition Launch Thursday 9th October, 7 - 8.30pm

Join us as we launch this exciting exhibition! Guest speaker, Vicki Moritz, will talk about *the importance of photography as art and the joy of photography*. Vicki's work has been hung at the Museum of Australian Photography, Geelong Gallery, and the Centre for Contemporary Photography. She also judges extensively at local, national and international competitions.

RSVP: margedwards11@gmail.com by Monday 6th October.

Can't make the Launch, come along to an Artist Talk!

Saturday 11th October 2-3pm

Marg & Geoff Edwards will entertain, explaining why they belong to the different societies and how their photography practice differs.

Saturday 18th October 2-3pm

Mario Mirabile & Peter Calder will take a deep dive into selected images from the exhibition, exploring a range of photographic genres. They'll discuss how different images resonate with viewers in diverse ways, and why certain photographs may appeal more strongly to some than to others.
